A personal newsletter for clients and friends of Stiles Financial Services who wish to stay connected with the latest news and events.

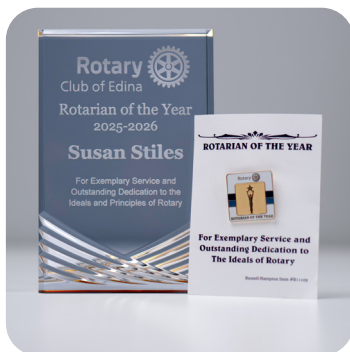

We Caught The Fever!

This month saw us gathered around the kitchen TV over lunch for some pretty iconic World Cup games. Soccer-lovers and some newly-converted soccer-appreciators stood side-by-side debating calls and rating the acting abilities of faking an injury or foul. However a couple of us, Rachel and Edgar each took their love of soccer to another level and attended a live game. Edgar flew to Seattle to see the USA play Belgium in a contentious game that put the home team out of the tournament. Edgar loved

the atmosphere and the eagerness of the Seattle people - known as a good soccer city and home to the MLS Sounders. Rachel took it to the next level and flew to Mexico City to cheer on Mexico vs Czechia at the fabled Estadio Azteca. Rachel made a vacation of it. The culture, the history, the food and the people gave it a very international feel. She felt privileged to witness the curtain call of Memo Ochoa, the famed goal keeper that appeared in 6 World Cups. Congrats to Spain for a well-deserved win in the final.

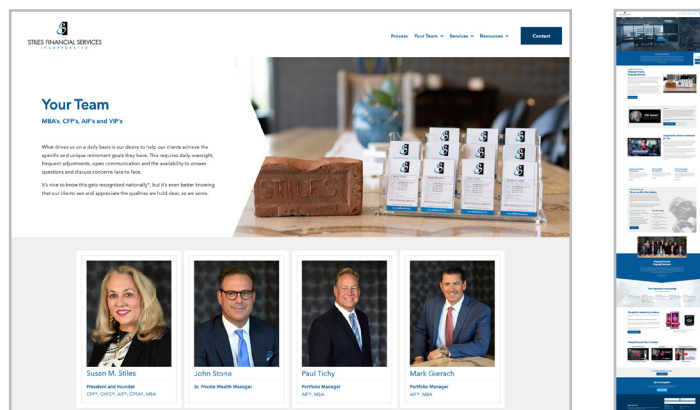

Service Above Self.

The mission of the Rotary Club uses the Four-Way Test when deciding how to act. Is it the truth? Is it fair to all? Will it build goodwill and better friendships? Will it be beneficial to all concerned? For everyone who knows Susan, this is how she runs Stiles Financial Services, her life and legacy. We couldn't imagine a more deserving individual for **Rotarian of the Year!** Congrats to our guiding light, Susan.

The Dog (and Cat) Days of Summer.

As many of you know, Stiles Financial Services is a pet-friendly office. Thus, guests are frequently greeted at the door by Ricky and Lucy, owned by Susan, or perhaps one of the other 4-legged friends, prior to your meeting or visit. So we thought this would be a good time to introduce our support staff.
